

Halo House Foundation Volunteer Application

We are looking for people who are passionate about what we do, are great communicators, love working as part of a team, and have positive energy and personalities. If this describes you, we would be happy for you to become a part of the Halo House team and donate your time and talents to our mission!

Our Mission: Halo House Foundation supports blood cancer patients and their caregivers by providing affordable, fully furnished, temporary apartment housing to enable access to lifesaving treatment in the Texas Medical Center.

Our Vision: One day, no one battling blood cancer will have to worry about where they are going to live during treatment in Houston, or going bankrupt while paying for living, eating, and parking expenses here, and their rent or mortgage back home. We believe that providing a “home away from home” and easing the family’s financial burden, their focus can be directed toward healing.
